

PNT 9700 The key to making electronic scales simple.

**The First Truly Self-Diagnostic Indicator with On-Screen Programming
Display Truck, Trailer and Total weights at the same time**

- **Two and four channel** models for **long** and **short loggers**, **B-trains** and **chip vans**.
- **2-wire digital system** (Non-Polarity sensitive).
- **Large, Super-Bright Red** seven-segment LEDs Display.
- An **Advanced Calibration** function for calibrating the scale without a load.
- Channel weight displayed even when one load cell is bad.
- Quick switching from **GROSS** to **NET** and quick **TARE RESET**.
- **Weight-to-go** feature which instantaneously shows how much weight must be loaded to reach maximum legal payload.
- **Quick diagnostics** from cab which allow each load cell to be checked in detail.
- **AccuLink** transcoders built of heavy-gauge stainless steel.
- **AccuLink** operate with all models of on-board scale load cells (including 120 ohm cells).

PLUS:

- Simple plug-in operation with 2-wire transmitters of other manufacturers.

Complete Conversion Kit:

- (1) PNT 9700 Meter
- (2) PNT 9700 AccuLink transcoders
- (1) 80ft, Trailer Cable
- (1) 35ft, Truck Cable
- (1) 15ft, Power Cable
